

HOST A SOLUTION TEAM® AND SOLUTION COACH WORKSHOP!

No Bully developed Solution Team® and Solution Coach® as non-punitive alternatives for educators and counselors seeking a new approach. Research shows that these two interventions stop student bullying in 80% to 90% of cases, making these some of the most effective anti-bullying interventions ever. We offer schools and organizations the opportunity to host a one-day workshop in return for getting staff trained for free.

One-day public workshop

No Bully will facilitate a one-day workshop at your campus to include educators and counselors in your area. Training Fees: \$220 per person (early registration rate of \$180) for up to 60 people, with a minimum of 30 registered participants in order for *No Bully* to run the training. The hosting organization gets: 3 staff trained for free providing at least 30 paid registrations; 4 staff trained for free if 40; 5 staff trained for free if 50. Hosting organizations have successfully joined with a local partner to co-host the training.

To host an “Open-Public” workshop, the hosting organization is responsible for:

Providing a workshop space in which to hold the event.

- Provide Training Room for 30-60 people (1700-2000 square feet)
- Provide LCD projector, screen, flipchart and sound system
- Provide tea, coffee, water and snacks for registrants (*continental breakfast optional*).

Marketing the workshop internally and to your community and outside contacts via e-mail to the following types of organizations via 3-4 consistent publicity campaigns: (*No Bully* will also publicize the workshop in its newsletter and on its website.)

- Your community of teachers, staff and parents
- Local schools, teachers, school counselors, city and county offices of education, Mental Health Agencies.
- Community Based Organizations and PTAs
